M2B PARTNERING EVENT, THE HOST

This 4th edition of the Match2BioSMEs workshop is for the first time taking place at the same time as the flagship event organised by the project consortium. This PE offers a unique platform for pan-European leading edge entrepreneurs, R&D leaders, investors and experts from the industrial biotech sector.

ABOUT MATCH2BIOSME AND SMESGOHEALTH

M2B and SGH are FP6 projects financed by the European Commission to assist and support Small and Medium Sized Enterprises, Research Centres, Universities and industry in successful participation in EU-funded research and technology development projects.

M2B focuses on the Green and White biotech sectors (KBBE) and SGH on the red biotech sector (HEALTH).
